Legislative Conference & Luncheon

**February 21, 2013
Capitol Annex Building
Room 113
Frankfort, Kentucky**

Legislative Conference

February 21, 2013 • Capitol Annex Building • 702 Capital Ave - Room 113 • Frankfort, Kentucky

Join us February 21 for the KRHA's Legislative Conference in partnership with the Area Health Education Centers. This is a great opportunity to hear from health advocates about some of the key policy issues facing Kentucky's health care provider community and our citizens. After the morning sessions, KHRA and AHEC will host a luncheon for the legislators and their staff. This is a great chance for you to speak one-on-one with your Representative and Senator during our informal lunch.

The KRHA encourages attendees to contact your Senators and Representatives in advance of the conference to remind them about the lunch and let them know you would love to see them there. You can find contact information for your Legislator at <http://www.lrc.ky.gov/Legislators.htm>.

Registration

This event is free to KRHA members. We ask that you do register for the event so that we can prepare lunch for everyone attending. Registration Deadline February 11, 2013.

Registration can be completed online at www.kyrha.org

OR
