

**THE COALFIELD
REGIONAL HEALTHCARE
NETWORK**

OFFICIALLY FORMED 2015

MISSION & VISION

Mission: To increase collaboration between regional stakeholders to enhance the health of its residents

Vision: Sustaining network & broadening membership

Facilitating education & development for area's current & future healthcare workforce

Engaging community with improved educational & healthcare coordination resources

LEVERS

- Rich history of rural healthcare innovation in Hopkins County
- Broad range of healthcare services & providers in the area
- Ample opportunities for diverse interprofessional education
- Rural Network Allied Health Training Grant

BLOCKS

- Operating costs
- High turnover of members
- CMS changes
- Election results
- Community inertia
