Bill Request 278

Amend KRS 211.190 to make water fluoridation programs optional; allow the governing bodies of water systems subject to regulation by the Cabinet for Health and Family Services to decide whether they participate in water fluoridation programs; provide that a water fluoridation program in place on the effective date of the Act continues until action is taken by its governing body to end its participation; provide that any decision regarding participation in a water fluoridation program made by the governing body of a water system shall be binding on all water systems it supplies.
